INDEPENDENT AUDITOR'S REPORT

Board of Trustees Iowa Western Community College Council Bluffs, Iowa

Report on the Financial Statements

We have audited the accompanying financial statements of KIWR-FM Radio (a public telecommunications entity operated by Iowa Western Community College, Council Bluffs, Iowa) as of and for the years ended June 30, 2015 and 2014, and the related notes to financial statements, which collectively comprise KIWR-FM Radio's basic financial statements listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to KIWR-FM Radio's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of KIWR-FM Radio's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of KIWR-FM Radio as of June 30, 2015 and 2014, and the changes in financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 6 through 9 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Supplementary Information

Our audits were conducted for the purpose of forming an opinion on the financial statements of KIWR-FM Radio's basic financial statements. The accompanying schedules of functional expenses are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information is the responsibility of KIWR-FM Radio's management and is derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedules of functional expenses are fairly stated in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 4, 2016, on our consideration of KIWR-FM Radio's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering KIWR-FM Radio's internal control over financial reporting and compliance.

Management's Discussion and Analysis Year Ended June 30, 2015 (Unaudited)

INTRODUCTION AND REPORTING ENTITY

The following discussion and analysis is an overview of the financial position and activities of KIWR-FM Radio (the Radio Station) for the year ended June 30, 2015. Management of the Radio Station (Station management) has prepared the following discussion and it should be read with the financial statements and related footnotes which follow this section.

The Radio Station is operated by Iowa Western Community College (IWCC).

OVERVIEW OF THE FINANCIAL STATEMENTS

The financial statements of the Radio Station consist of the Statements of Net Position, the Statements of Revenues, Expenses and Changes in Net Position and the Statements of Cash Flows. These statements are prepared in accordance with Governmental Accounting Standards Board (GASB) Statement No. 34, *Basic Financial Statements – Management's Discussion and Analysis – For State and Local Governments*, as amended by GASB Statement No. 35, *Basic Financial Statements – and Management's Discussion and Analysis – For Public Colleges and Universities*. Statement No. 35 established standards for external financial reporting for all public colleges and universities, which includes the basic financial statements noted above. Statement No. 35 also requires the classification of net position into three categories – investment in capital assets; restricted; and unrestricted.

The Statements of Net Position include Assets, Liabilities and Net Position of the Radio Station as of June 30, 2015 and 2014. These statements are classified into Current Assets, Capital Assets and Current Liabilities, with Net Position classified into the applicable categories as noted above. The Statements of Revenues, Expenses and Changes in Net Position depict the Operating Revenues and Expenses resulting in an Operating Loss for fiscal years 2015 and 2014, which is then combined with Nonoperating Revenue and Transfers to provide the total Decrease in Net Position. The Statements of Cash Flows show the sources and uses of cash flows from operating activities, cash flows from non-capital financing activities and cash flows from capital and related financing activities. The financial statements also include notes that explain some of the information in the financial statements and provide more detailed data.

FINANCIAL HIGHLIGHTS

Net Position of the Radio Station decreased by (\$23,488) for the year ended June 30, 2015 (fiscal year 2015), the result of depreciation expense for the fiscal year associated with capital assets. Net Capital Assets at June 30, 2015 totaled \$1,761. Net Capital Assets at June 30, 2014, were \$25,249. The Radio Station continues its strong position in the marketplace as local and regional businesses work with 89.7 The River to reach the 18-34 demographic. With an improving economy, the demand for concerts is also improving, but ticket price levels have been slow to increase.

In fiscal year 2015, the Radio Station's Operating Revenues totaled \$1,091,214, while Operating Expenses were \$1,170,976. The Net Operating Loss for fiscal year 2015 was (\$79,762), which included a non-cash depreciation expense of \$23,488. Donated professional services and programs and material and supplies (donated support) totaled \$359,473 for fiscal year 2015, which represents indirect administration support from IWCC. The amount of donated support is reflected as revenues in the accompanying statements of revenues, expenses and changes in net position. As expenses of an equivalent amount are also recognized, there is no impact on total net position.

The Radio Station's capital assets, net of accumulated depreciation, totaled \$1,761 at June 30, 2015. The Radio Station has outstanding current liabilities of \$137,198 at June 30, 2015, including accounts payable, salaries payable, payroll taxes payable, deferred revenue, and amount due to IWCC. The Radio Station has no outstanding debt obligations as of June 30, 2015.

FINANCIAL ANALYSIS OF THE STATEMENTS

The Radio Station's condensed comparative financial statements are presented below for fiscal years 2015 and 2014.

Current Assets consist primarily of investments and accounts receivables. Capital Assets are presented net of accumulated depreciation of \$693,187 at June 30, 2015. Liabilities consist of accounts payable, salaries payable, payroll taxes payable, deferred revenue, and an amount due to IWCC. Net Position is classified as investment in capital assets.

OTHER SIGNIFICANT MATTERS

89.7 The River (KIWR's station name) broadcasts its 100,000 watt signal from a tower height of 1,150 feet located in the Council Bluffs/Omaha metro area. The alternative rock format of the station appeals to key demographics from ages 18-34. The popularity of The River continues to provide a key marketing asset in the promotion of Iowa Western Community College to prospective students.

The regional economy has improved at a somewhat faster pace than the U.S. economy and that improvement has translated to the concert scene. Ticket prices have slowly started to rise as discretionary income has loosened due to lower oil prices. The Radio Station will continue to focus on smaller events for the immediate future.

Operating Revenues were down \$72,296 in fiscal year 2015 totaling \$1,091,214. Expenses in fiscal year 2015 were down at \$1,170,976 compared to \$1,187,009 in fiscal year 2014. Local Support is up 176% versus fiscal year 2014. CPB funding remained consistent. Underwriting Revenues decreased by 17% or \$43,948. Rental income decreased by 26.4% or \$19,880. Fees for services decreased by 15.8% or \$17,380. Finally, Donated Professional Services and Programs were lower due to decreased costs of services provided by the College. The Board of Trustees and Administration of Iowa Western Community College continue to recognize the value the Radio Station provides to IWCC. With its popularity in the 18-34 year old demographic, IWCC benefits from the continued exposure provided during daily broadcasts. Secondly, IWCC broadcasting students receive "on-the-job live" experiences while working at the Radio Station.

The 89.7 The River Station management will continue to be actively involved in the promotion and staging of local area concerts. Their involvement ranges from promoting relatively unknown startup bands at smaller local area venues to working in cooperation with national music promotions to host one or two major summer concerts. Station management will continue to monitor concert attendance trends and adjust its concert promotion strategies accordingly to control costs. As the economy improves and concert goers become willing to spend more dollars for tickets, the Radio Station revenue picture will continue to improve.

CONTACTING THE RADIO STATION'S FINANCIAL MANAGEMENT

This financial report is designed to provide the Radio Station's constituents, taxpayers in the service district and KIWR creditors with a general overview of the Radio Station's finances and to demonstrate KIWR's accountability for the resources it receives. NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Operations

KIWR-FM Radio (the Radio Station) is a public, noncommercial radio station. The Radio Station operates with a power of 100,000 watts, reaching a potential audience of an 80-mile radius in western lowa and eastern Nebraska. The Radio Station is operated by and the financial activity is included in the financial statements of lowa Western Community College, Council Bluffs, lowa (the College). The Radio Station is dependent upon support from the Corporation for Public Broadcasting, lowa Western Community College, and the public.

General

In its accounting and financial reporting, the Radio Station follows accounting principles generally accepted in the United States of America as prescribed by the Governmental Accounting Standards Board (GASB).

The Radio Station follows the provisions of GASB Statement No. 35, *Basic Financial Statements - and Management's Discussion and Analysis - for Public Colleges and Universities*. GASB Statement No. 35 established standards for external financial reporting for all public colleges and universities, which includes a statement of net position, a statement of revenues, expenses and changes in net position, and a statement of cash flows prepared on the direct method, as well as the notes to the financial statements. It requires the classification of net position into three categories - investment in capital assets, restricted and unrestricted.

Basis of Accounting

The financial statements of the Radio Station have been prepared on the accrual basis of accounting. Under the accrual basis of accounting, revenues are reported when earned and expenses are recorded when materials and services are received.

Use of Estimates

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from the estimates and assumptions used in preparing the financial statements.

Cash and Cash Equivalents

For purposes of the statement of cash flows, all short-term cash investments that are highly liquid are considered to be cash equivalents. Cash equivalents are readily convertible to known amounts of cash and, at the day of purchase, they have a maturity date no longer than three months.

Accounts Receivable

Accounts receivable are presented net of an allowance for doubtful accounts. The allowance as of June 30, 2015 and 2014 was \$1,620.

(A Public Telecommunications Entity Operated by Iowa Western Community College, Council Bluffs, Iowa) NOTES TO FINANCIAL STATEMENTS

NOTE 1 NATURE OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Capital Assets

Capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated capital assets are stated at fair market value at date of donation. The Radio Station's capitalization policy is to capitalize items greater than \$5,000. Depreciation is calculated using the straight-line method over the following estimated useful lives:

Buildings and fixed equipment	10-25 years
Other structure and improvements	10-25 years
Furniture, machinery and equipment	5-25 years

Management periodically reviews capital assets for impairment.

Donated Materials, Contributed Services and Use of Facilities

Donated facilities from Iowa Western Community College consist of office and studio space together with related occupancy costs and are recorded as revenues and expenses at estimated fair rental values. Administrative support from Iowa Western Community College consists of allocated financial and student development department costs and certain other expenses incurred by the College on behalf of the Radio Station.

Donated professional services and programs and donated materials and supplies are recorded as revenues and expenses at estimated fair values.

Deferred Revenue

Income from rental of tower space is deferred and recognized over the period covered by the lease agreement.

NOTE 2 INVESTMENTS

The Radio Station's deposits in banks at June 30, 2015 and 2014 were entirely covered by federal depository insurance or by the State Sinking Fund in accordance with Chapter 12C of the Code of Iowa. This Chapter provides for additional assessments against the depositories to insure there will be no loss of public funds.

The Radio Station is authorized by statute to invest public funds in obligations of the United States government, its agencies and instrumentalities; certificates of deposit or other evidences of deposit at federally insured depository institutions approved by the Iowa Western Community College Board of Trustees; prime eligible bankers acceptances; certain high rated commercial paper; perfected repurchase agreements; certain registered open-end management investment companies; certain joint investment trusts; and warrants or improvement certificates of a drainage district.

The Radio Station had nonnegotiable certificates of deposit at June 30, 2015 and 2014 which are valued at cost of \$37,306 and \$37,284, respectively, which approximates market value.

Interest rate risk. The Radio Station's investment policy limits the investment of operating funds (funds expected to be expended in the current budget year or within 15 months of receipt) in instruments that mature within 397 days. Funds not identified as operating funds may be invested in investments with maturities longer than 397 days but the maturities shall be consistent with the needs and use of the Radio Station.

NOTE 4 OPERATING LEASES

The Radio Station has a lease agreement for the rental of equipment that expires in October 2019. The lease is classified as an operating lease and, accordingly, is charged to expense as incurred. Rental expense under this agreement was \$87,871 for the year ended June 30, 2015 and \$84,704 for the year ended June 30, 2014. The following is a schedule by year of future minimum rental payments required under this operating lease:

Year ending June 30	Amount

Total	\$ <u>422,932</u>

NOTE 5 RETIREMENT PLANS

Radio Station employees may elect to participate in the Iowa Public Employees Retirement System (IPERS) or the Teachers Insurance and Annuity Association - College Retirement Equities Fund (TIAA-CREF). If no election is designated by the employee, the employee will automatically be enrolled in IPERS.

The Radio Station contributes to the Iowa Public Employees Retirement System which is a cost-sharing multiple-employer defined benefit pension plan administered by the State of Iowa. IPERS provides retirement and death benefits which are established by State statute to plan members and beneficiaries. IPERS issues a publicly available financial report that includes financial statements and required supplementary information. The report may be obtained by writing to IPERS, P.O. Box 9117, Des Moines, Iowa 50306-9117. Information and disclosures regarding the net pension liability, deferred outflows of resources, and deferred inflows of resources as required by GASB Statement No. 68, Accounting and Financial Reporting for Pensions – an Amendment of GASB No. 27 attributed to the employees of the Radio Station are included as a component of these respective amounts as reported in the Iowa Western Community College June 30, 2015 financial statements. Sufficient information is not available to allow management of the Radio Station to estimate the net pension liability, deferred outflows of resources, and deferred inflows of resources attributable to its employees. Plan members are required to contribute 5.95% of their annual covered salary and the Radio Station is required to contribute 8.93% of annual payroll. Contribution requirements are established by State statute. The Radio Station's required and actual contributions to IPERS for the years ended June 30, 2015 and 2014 were \$6,254 and \$5,910, respectively.

The Radio Station contributes to the TIAA-CREF retirement program which is a defined contribution plan. TIAA-CREF administers the retirement plan for the Radio Station. The defined contribution retirement plan provides individual annuities for each plan participant. As required by the Code of Iowa, all eligible Radio Station employees must participate in a retirement plan from the date they are employed. Contributions made by both employer and employees vest immediately. As specified by the contract with TIAA-CREF, and in accordance with the Code of Iowa, each employee is required to contribute 5.95% and the Radio Station is required to contribute 8.93%. The Radio Station's required and actual contributions to TIAA-CREF for the years ended June 30, 2015 and 2014 were \$27,939 and \$26,225, respectively. The employees' required and actual contributions to TIAA-CREF for the years ended June 30, 2015 and 2014 were \$19,525 and \$18,171, respectively.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Trustees Iowa Western Community College Council Bluffs, Iowa

We have audited, in accordance with auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of KIWR-FM Radio (a public telecommunications entity operated by Iowa Western Community College, Council Bluffs, Iowa) as of and for the year ended June 30, 2015, and the related notes to the financial statements, and have issued our report thereon dated January 4, 2016.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered KIWR-FM Radio's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of KIWR-FM Radio's internal control. Accordingly, we do not express an opinion on the effectiveness of KIWR-FM Radio's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether KIWR-FM Radio's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of KIWR-FM Radio's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering KIWR-FM Radio's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
